

7 DAY ACCESS SERVICE

If you need a GP appointment out of opening hours.

The HMR (Heywood, Middleton and Rochdale) seven day access service, in partnership with BARDOC allows patients to have access to evening, weekend and bank holiday appointments.

This service gives patients more flexibility in where, when and how they use local health services. It helps those who struggle to get to the doctors during the week, because of work and family commitments.

While patients may not get to see their own doctor during these hours, the GP or nurse they do see will have access to the patient's medical record, subject to their consent.

Appointments are available:

6.30pm - 9pm Monday to Friday
8am - 6pm Saturdays and Bank Holidays
10am - 1pm Sundays
